

# Search for Majorana Neutrinos at current and future Colliders (CMS)

*Thursday, 9 May 2024 18:00 (20 minutes)*

Searches for Majorana Neutrinos at current and future Colliders including muon-muon collider and neutrino-neutrino collider will be presented.

## Collaboration (if any)

**Primary author:** LI, Qiang (Peking University)

**Presenter:** LI, Qiang (Peking University)

**Session Classification:** 02-2 - 加速器暗物质/加速器中微子实验

**Track Classification:** 04 - 中微子实验: 04-2 - 加速器中微子实验
