## Origin of PeV Cosmic Rays

*Monday 25 August 2025 17:08 (18 minutes)*

In light of LHAASO observations of ultra-high energy gamma-ray emission and measurement of cosmic ray spectra, I will discuss their implications on the origin of PeV cosmic rays.

### Collaboration you are representing

LHAASO

**Author:** Prof. LIU, Siming (西南交通大学)

**Presenter:** Prof. LIU, Siming (西南交通大学)

**Session Classification:** High-Energy Astrophysics and Cosmic Rays

**Track Classification:** High-Energy Astrophysics and Cosmic Rays
